their duty, however reluctantly; at Sadown the councetion with the Colorado in her first their squadrons covered the retreat of Austria's voyage only will n t be made on that route. shattered battalions; and now, seeing that their | Should arrangements be made to take passengers generalty and devotion have not been appreciated. from Shanghai, due notice will be given. they stand upon their right. This sught to have heen unticipated. The Government of Vienna should have apprehended that there was a limit to forbearance. It was unwise to postpone the inavitable day of crekoping. But the circumstarge that Hungary is still confessedly the stronghold HONOKONG, CANTON & MAULO STEAM and bulwark of the Austrian ampire aufliciently explains the terms on which the contemplated transactions will have to be concluded, if, indeed, any conclusion can be compassed. It is as if Anstrin had been negotiating for something which at the Company's Offices, Victoria, Liongkony, on she must obtain at any price, and the delay so FRIPAY, the ath day of February next, at three enseed has already gost her more than any gould o'clock, in the afternoon, to receive the Report offord to pay. This, too, is precisely the game of the Uirectors and statement of accounts. which she played and lost with Venetia. At any time before Austria signed the Gastein Conventien she might have purchased the neutrality, if not the friedship, of Italy. It was only when thant you Bismark openly made the Venetian question the pivet of his menacine operations that the Italians and their way to a cheap realisation of the national aspiration. Prussia declared on her alliance with Italy, and while the flower of the Austrian army were shut up in the Hangary enabled her to strike the decisive blow. the Supreme Court on the Twenty-seventh day of If, however, they are mot fairly, there is no reason December, 1865, a Public Sitting for the said to four that the majority of the Diet will fail Bankrupt to pass his last examination and to make has displayed, and, although they may not be able the Honorable John Smale, Esquire, Chief Justice to conquer their misgiving, if it should appear to of the mid Court, at the Supreme Court House, them that their interests as a nation are identified Victoria, Hongkong, on the Twenty-third day of with the maintenance of the Austrian Empire there Jenuary, 1887, at 11 o'clock in the forences pre- gending 3 months. is evidently an open road to that end through cisely. mutual concessions substantially secured. Thus, the responsibility of the Imperial Government might be measured by their discretion. But it would be idle to imagine that Hungary will enter into the international idea on which Austria has litherto heen supported. Whether or not Prossis perceives the cope of the rule she has underlined, there can be no doubt about its signification. No reople entitled to domand the recognition RETYPLEN. are reques ed to gend in immediately of their nationality are to be held in subjection their bills for payment. by any Power to preserve what was formerly called the European seltlement. The Hungarian claims are framed on this principle, but they are not inconsistent with the constitutional sovereignty of the House of Hapsburg, and would only contravene a nominal uniformity. Prustically they might be inconvenient, but they are not revolutionary. If Austria could reign on the candition that the various races composing he is to able dispass of to the Trade, or REPAIR her Empire should govern themselves, or should he governed as their ancient laws and customs prescribed, she might become the central authority of a very formidable combination; and that he it feasible or not, is undoubtedly the tendency of the movement to which the Hungarians are committed, for what was conceded to them could hardly be witheld from these who live with them
